Thank you for your interest in an award from the Arizona Friends of Foster Children Foundation (AFFCF). We have been serving children in foster care across Arizona for more than 30 years, and it is our pleasure to support the social, athletic and educational activities that give children in foster care the childhood they deserve.

While you do NOT have to make a donation in order to submit an application, we want to let you know about a recent Arizona tax credit that has been a game changer for our organization and the children and families we serve. Your donation of up to \$1,000 for couples filing jointly and \$500 for individuals may qualify for the Arizona Foster Care Qualifying Organization tax credit. That means if you make a donation in this calendar year, your Arizona tax liability may be reduced by the amount of your donation (or your refund will be increased by the amount of your donation), dollar for dollar. It's easy! Be sure to consult your tax advisor for more information.
