

WHAT WE DO

Arizona Friends of Foster Children Foundation funds a variety of activities and items for children in foster care that are not otherwise funded by the state or other programs. We fund items in one of two ways: 1) a check is made payable directly to the vendor/service provider and mailed to the caregiver or 2) we reimburse the caregiver for a purchase AFTER the application is approved.

(Please remember that AFFCF cannot reimburse any purchase made prior to receiving written approval from AFFCF.)

Check out this list of what AFFCF can consider funding. This is not a complete list. For the most up-to-date information, visit affcf.org/guidelines. Please keep in mind that we can consider funding only one activity at a time per child. The only exception to this guideline is swimming lessons.

APPLY ONLINE: AFFCF.ORG/APPLY

HOW IT WORKS

The only eligibility requirement for an award from the Arizona Friends of Foster Children Foundation is that the child is a currently adjudicated dependent ward of the court in Arizona or tribal court of Arizona.

COMPLETE AN APPLICATION

To receive funding, all requests must go through AFFCF's application and approval process.

Anyone can submit an application on behalf of a child in foster care. Visit affcf.org/apply to access our application. Our application asks for contact information for the child's DCS or Tribal caseworker, as we must verify the child's current status as a ward of the court in foster care in Arizona.

ATTACH SUPPORTING DOCUMENTATION

Documentation can be a brochure, a screenshot from a web page or a flyer from the provider of the activity or service. The documentation must display exactly what is being requested and the exact cost of the request.

WHAT HAPPENS NEXT

From the time you submit an application to the time it is approved takes about 10 to 14 days. Check payments are made payable to the vendor/service provider and are mailed to the caregiver address on the application. For reimbursement items, AFFCF notifies the applicant via email that the application has been approved and provides directions on how to receive reimbursement.

Please remember that AFFCF cannot reimburse any purchases made prior to receiving approval from AFFCF.

The AFFCF Keys to Success program offers one-on-one career development and employment services tailored to fit the unique needs of each youth we serve.

Keys to Success services include:

- In-depth assessment of each youth's skills and abilities
- Career exploration and planning
- Job-readiness training
- Employment
- Education attainment
- Skill building
- Career coaching

Youth ages 16-21 in foster care in Maricopa County and western Yavapai County are eligible to apply. Visit affcf.org/keys to learn more or call 602.252.9445.

POST-SECONDARY SCHOLARSHIPS

AFFCF's Post-Secondary Scholarship program funds tuition and fees for young people who age out of foster care or tribal foster care in Arizona and wish to attend a university or community college.

- Applicants must have been wards of the court or tribal foster care in Arizona or when they turned 18 years of age.
- AFFCF will not consider first-time applicants older than 24 years.
- University applicants are eligible to receive awards up to \$5,000/academic year (\$2,500 per semester).
- Community college applicants are eligible to receive awards up to \$2,000/academic year (\$1,000 per semester).
- Eligibility for scholarship is for two semesters. Students can submit renewal documents to continue in the scholarship program, however, renewal is not guaranteed.

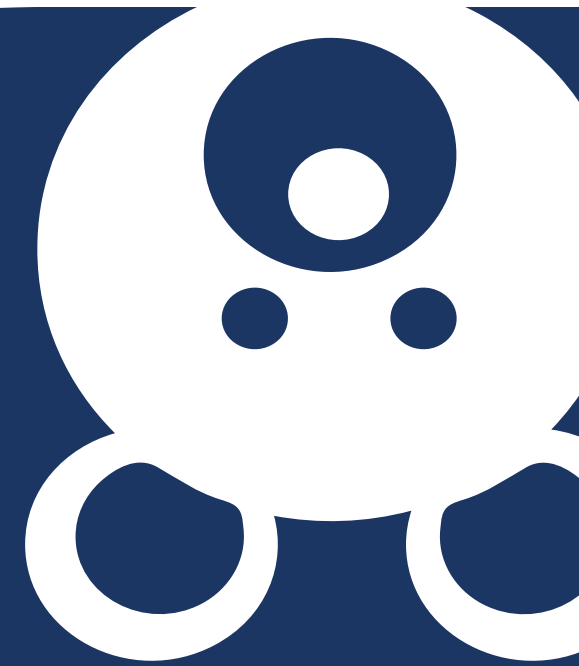

PENSON FUND

The Penson Fund is there to help when things don't go right, or when an unexpected emergency pops up for a youth enrolled in post-secondary education. Applicants for the Penson Fund must be under age 21 and aged out of foster care.

For details, visit affcf.org/penson.
